EMPLOYEE INTERNET USE POLICY: AN EXAMINATION OF PERCEIVED IACIS 2002 83 work have been documented in the workplace (19). These behaviors directly result in productivity

EMPLOYEE INTERNET USE POLICY: AN EXAMINATION OF PERCEIVED

examining the influence of perceived competence on affect. Also, exploring a variety of different emotions beyond enjoyment and anxiety would provide additional insights about the perceived competence-affect relationship. There is also evidence in the sport psychology literature to suggest that affect influences perceived competence.

Determinants of Children's Self-Esteem: An Examination of

Logistic regressions were applied to data from the National Survey on Recreation and the Environment to model the probability that individuals perceived certain constraints to participating in outdoor recreation activities. Eighteen constraints related to health, safety, socio-economic standing, and other personal factors were examined.

An Examination of Perceived Constraints to Outdoor

how information is evaluated and whether it is perceived as important (Meglino & Ravlin, 1998; Sharfman, Pinkston, & Sigerstad, 2000). We hypothesize that personal values interact with individual perceptions to affect the degree of attraction to an organization and the degree to which CSR is defined as an in-role work responsibility.

An Examination of Perceived Corporate Citizenship, Job

We examined a multidimensional measure of perceived organizational support (adjustment POS, career POS, and financial POS) within an integrative stress model of expatriate success. Expatriate success was defined in terms of multiple criteria and the predictors included role stressors, situational stressors, supervisor support, and POS.

An Examination of Perceived Organizational Support as a
