Daniel Commentaries & Sermons | Precept Austin

The aurochs (/ ˈɛː ˈr ɛ k s / or / ˈɛː a ʃ r ɛ k s /; pl. aurochs, or rarely aurochsen, aurochses), also known as urus or ure (Bos primigenius), is an extinct species of large wild cattle that inhabited Europe, Asia, and North Africa. It is the ancestor of domestic cattle and has been suggested to be a genetic component of the modern European bison, crossbred with steppe bison.

Aurochs - Wikipedia

The Southern Victory Series is a series of alternate history novels written by Harry Turtledove. The point of divergence involves Confederate States of America winning the American Civil War and becoming an independent nation. The series covers events from 1862 to 1945 and features dozens of fictional characters, some of them analogues of real people.

Fictional characters in the Southern Victory Series
