Overview. Annexation is the process by which cities extend their municipal services, regulations, voting privileges and taxing authority to new territory.

Annexation - San Antonio

This section introduces a range of climate-smart agriculture (CSA) practices and technologies within seven entry points for CSA; soil management, crop management, water management, livestock management, forestry, fisheries and aquaculture, and energy management. Practices are understood broadly as ways of doing things, for example, precision farming, tillage, and fertilization; these are all ...

What we're doing We will commence a comprehensive series of reforms to the land tax regime in South Australia. From 1 July 2020, we will increase the tax-free threshold to \$450,000 from the current \$353,000. We will also cut the top marginal tax rate from 3.7% to 2.9% for holdings valued from just over \$1 million up
