In Mountain Gloom and Mountain Glory, Marjorie Hope Nicolson argues that the rise of an aesthetic appreciation of nature's grandeur in English writing did not originate with exposure to Italian landscape painting, Orientalism, or the concept of the sublime in art, as have been postulated. Rather, Nicolson demonstrates a direct line of sentiment ...

The old story of mountain gloom is part of the pleasure of enjoying mountains in the modern day. It is the whisper that, when we look at a peak and feel our heart thrill to it, we are special. The traditional tale handed down from volume to volume of the Alpine Journal emphasized the idea that mountain appreciation was born simultaneously with ...

To English poets and writers of the seventeenth century, as to their predecessors, mountains were ugly protuberances which disfigured nature and threatened the symmetry of earth; they were symbols of God's wrath. Yet, less than two centuries later the romantic poets sang in praise of mountain splendor, of glorious heights that stirred their souls to divine ecstasy.
